A botanical beauty from the remote Scottish Isle of Islay, made with the heart, soul and delicate flavours of the land.

GIN-TASTIC CLASSICS

TANQUERAY
Gin to the power of four. Distilled four times and made with four of our favourite botanicals – refreshing juniper, peppery coriander, aromatic angelica and sweet liquorice.

SIPSMITH
Smooth and rich – just like Leo DiCaprio. A classic London Dry gin with bold, complex and aromatic flavours.

GORDON'S
It's crisp, refreshing and perfectly junipery (we'll make that a word), triple distilled for that silky smooth finish.

Crash Course in Craft

Craft beer is made by independent breweries who put heart and soul into their recipes. Made in small batches and full of distinct, delectable flavours, aromas and characteristics, it's hard to decide where to start. Use our little guide below to help you choose your next new favourite crafty tipple.

LAND OF THE FREE

AMERICAN IPA
It's the land of the free and the home of this floral, fruity IPA, and it's all about the flavour, aroma and bitterness of American-variety hops.

COLOUR INDICATOR

AMERICAN PALE ALE
If malt is your flavour of choice then this is the one for you. It's medium-bodied with low to medium caramel and a hit of toasted maltiness.

COLOUR INDICATOR

IMPERIAL IPA
This full-bodied beer has earned itself the name of top of the hops, with high hop bitterness, fresh and evident hop character and a medium-high alcohol content.

COLOUR INDICATOR

HAZY IPA
These creamy IPAs are the cream of the crop, with a medium-full body, low to moderate bitterness and a range of intense fruit flavours, such as citrus, passion fruit or mango.

COLOUR INDICATOR

SOUR
Like a bit of sour? Say no more. Sour IPAs have the tartness of a sour with the hoppy, fruity softness of a hazy IPA, with the addition of a little touch of acidity.

COLOUR INDICATOR

STOUT
Despite being called stout, this is the tall, dark and handsome of beers, with a very dark colour, full body and distinctively malty flavour.
