This December – from 01 to 31 December 2018 (17:00 – 23:00 daily), savour an exclusive experience at the WoW – World of Whisky for two persons for \$108++ with the perfect pairing of a trio of malt whiskies (20ml each) and Le Méridien Petit Plates, unique bites inspired by European classics and infused with a distinctly local flavour for a chic twist.

Discover the uncommon taste of the **blue swimmer crab breaded quenelles** – served on “mantou” bun tartine and accompanied by chilli crab sauce, **laksa quiche** – a savoury pastry tart crust with egg and aromatic, spicy laksa filling, as well as the Asian-style **duck spring roll** – filled with crispy mushrooms, ground peanuts and Hoisin sauce.

Complementing these rich flavours, enjoy this meal with Scotch single malt whiskies and discover the classic taste of the **Spey 12-year single malt** from the Speyside – matured in Bourbon cask with notes of pear drops, green apples and vanilla with hints of nuts and raisins; the complex, rich and spiced fruit cake-like notes of the **Edradour Highland 10-year single malt** and the aromatic flavour of the **Kilchoman Inaugural 100% Islay single malt scotch** – made from barley grown, malted, distilled, matured and bottled on Islay.
