Berwick Edge

Berwick Edge is similar to the traditional Gouda cheese still made by the Dutch farmers in Holland today. It is smooth in texture and captures a variety of flavours, most notably fresh pineapple with a citrus tang. A cheese for those who appreciate strong flavours!

Darling Blue

Darling Blue is matured for 3 months, Darling Blue forms a natural mottled rind which breaks down the paste until it is smooth and creamy, with thin streaks of blue that give the rich biscuity and gentle-blue flavour.

Coverdale

Coverdale is an English cheese made by Wensleydale Dairy Products in North Yorkshire. It is hard cheese with a pale yellow rind and a mild, buttery taste. The texture is firm and open.

Brinkburn

Brinkburn Goat's cheese is crumbly yet moist, light textured and velvety, delicate and sophisticated yet full of flavour and embodying a clear tang and edge, with a slight hint of salt.
