WELCOME TO DANTÉ

A family-run, zero-waste restaurant.

Although it seems simple at first glance, our name represents everything our restaurant is and its ideology.

Danté

is a combination of the Greek **Δάντης** and Italian **Dante**, meaning "enduring" and "everlasting" from the Latin root 'duras'. By combining the two names, we combine two of Melbourne's most influential cuisines.

As the name suggests, we create an everlasting guest experience through outstanding food and hospitality.

So enjoy delicious homemade food and drinks made from locally produced ingredients.

COCKTAILS

Enjoy our cocktails with or without alcohol.
