

OLD SCHOOL

510 Macpherson Rd Singapore 368208

The best place to find a new start is back at the roots of what we know best.

We're **OLD SCHOOL** – from our food, to our decor, to our history.

We share with you the warm, filling flavours our chefs grew up with in our cozy shop. We want to bring you back with us; We want to reminisce on the good old school days of simple vibes and simple roads, where everything is quiet and busy all at once.

When the days provided you with just the right amount of excitement weighed out with the calm in the middle of Singapore's hectic mess.

We started as a dream of 2 school friends. They went on to explore their different passions – in business, in cooking. At the end, they reunited to build us. We're new, but everything about us is a classic.

That's why we came here, to this corner of Macpherson, to make our new home. It's quiet, but the road comes alive at night, and so do we. There's lots to explore and lots of room for us to just sit down, have a bite, have a meal, have a drink, have a chat about our days.

So come in, and join us. Come in and feel at home.
