

Introduction

In **Lucky Saigon** we believe in traditional vietnamese cuisine..

Lucky Saigon was conceptualise with the 3 elements :

the ambience, the food serving culinary, the original taste of cooking..

The ambience - are craft with the vietnamese wooden ceiling,
the wooden deck, the street name of Ho Chi Minh City, the motor cycle
plating, the vietnamese portraits and others.....

The food serving culinary - are made of the traditional
coconut trunk which are specially customed made in vietnam
and fly in for Lucky Saigon.

The taste of cooking - chefs are specially selected in vietnam
with skillfull and passion

by : Y. S. Goh

Conceptualist
