DID YOU KNOW

The infamous pub scene, from the 1996 film 'Trainspotting', was filmed right here in this building! Our Balcony overlooking the bar is the setting of the iconic scene where Francis Begbie, played by Robert Carlyle, launches a pint glass over his shoulder and causes a massive pub brawl... However don't worry - I hope you agree our clientele and our premises have drastically changed since then!

Why not take a walk upstairs to the exact same spot and re-enact the infamous scene for yourself - We're sure it's definitely worth a wee post on social media!
