STEAK & TAPAS

We are a family business serving prime Argentinian steak and traditional Spanish tapas in Guildford.

Argentina has earned a reputation for producing some of the world's best meat. We work alongside the leading suppliers of high-quality beef from grass-fed cattle to ensure that you experience love at first bite.

Create a feast by combining several tapas, which are ideal for sharing, or simply order starters and leave enough room for a juicy Argentinian steak or tantalising main course from our grill.
