## STEAKHOUSE

### Perfect Argentine Steak

Our beef comes direct from La Pampa region of Argentina where cattle rearing is taken as seriously as religion. Our dedicated herds of Aberdeen Angus have a natural, free roaming life and are 100% grass-fed providing flavoursome meat with beautiful texture. Our beef arrives perfect for the coal grill remaining tender for serving. We take the finest prime cuts and the beef is wet aged for at least 30 days to bring out the subtle flavour of the meat without losing any of its juiciness.

### Chef's Cut

We pride ourselves in great food that is prepared from scratch each day. Whether you choose a chef's cut or classic, your steak is cut to order in the restaurant and then is seasoned, basted and cooked to order on our coal grill.

### Keeping It Fresh

Here at CAU we are always coming up with new dishes and we love to add an Argentinian twist – try something different today at CAU. We enjoy getting your feedback so please get in touch via our website or email.

### Our Menu

Our menu inspiration comes from the vibrant city of Buenos Aires which takes the best influences from Italian, Spanish & Argentine cuisine. Look out for the authentic touches:

**Chimichurri** – Argentinian classic salsa of red bell pepper, Spanish onion, ají molido, garlic, parsley, sherry vinegar & olive oil

**Pico de gallo** – a fresh Latin tomato salsa

**Ají amarillo** – a fruity hot Peruvian yellow chilli

**Ají molido** – sun dried ají amarillo

**Churrasco** – Argentinian marinade of smoked paprika, ají molido, garlic & parsley

**Arepas** – soft traditional griddle breads from Columbia and Venezuela
