

"A taste of New York"

Sacha & Sons a New York Delicatessen brings the authentic recipes, tastes and textures of New York's iconic delis to the heart of Singapore. We cure, pickle and smoke quality meats, fish and pickles according to the highest standards and oldest traditions.

Latkes are potato pancakes which the Jews prepared as part of the Hanukkah festival.

Latkes are traditionally cooked to commemorate the miracle of the menorah oil in the Jewish Temple of Jerusalem which miraculously burned for a full eight days when it was only supposed to be enough to last for one day.
