

What if the cocktails are medleys from Bollywood. Those that evoke happiness, the one's that bring nostalgia and take you back to carefree childhood days, the smooth notes that serenade the sweethearts of school, and the vibrant rhythms that makes you dance to the rhythm of Life.

Just like a well-composed medley, these cocktails are crafted to be a symphony for the senses, where every sip tells a story and every flavor note resonates with the harmonies of Bollywood's timeless tunes.
