#morettinocafe100am

Dear guests,

I come from Italy, a land where cooking is one of the highest expression of art, and eating in the company is the healthiest nutrient for the spirit. My journey as the chef began in Rome, a city where the empire of good taste has never fallen. Where our great universal history flavours our little everyday stories, giving them a hint of fleeting eternity..

Accomplished by the Italian cooking tradition, I was curious to travel far and wide, especially in the orient, always searching for new flavours and exotic ingredients. The result is the food that speaks the languages of the people, that communicates culture, passion and tradition, the roots of which are found in the heart of humanity, in a twine of fresh harmony..

Now that i am here in Singapore, my desire and commitment is to offer you a culinary experience that guarantees the best traditions and offers the extraordinary richness of products of this magnificent land, respecting the seasonal cycle but also letting the carousel of imagination spin.

Heart, passion and fun.

Buon appetito.!

Chef Andrea Camagna
