OUR JOURNEY

Cozy Box was created with a singular vision of Chef PB It began with a desire to take Indian cuisine beyond the familiar, to give it a seat at the table of new-age luxury dining not louder, but with more finesse

Chef PB

I evolved through years of culinary exploration — from bustling kitchens to refined lounges, from traditional recipes to experimental plates.

Along the journey, I asked myself a defining question:

“What if Indian flavours... could be reimaged?”

In that moment, I turned to the person who shaped my craftsmanship — my “Akka”, Chef Manfred.

In our culture, Akka signifies Guru, the master who guides.

It was under his mentorship that my culinary perspective shifted from skill to artistry.

Together, we envisioned what Cozy Box could become.

“A tapas lounge where every dish carries a memory, every serving sparks something new.”

Chef Manfred Drotschmann

Ex-Executive Chef at the New Zealand Parliament.....With an exceptional career working in some of the world’s most distinguished kitchens — including the iconic “French Laundry”, Chef Manfred brings a rare blend of global perspective, precision and technical mastery.

“A Powerful collaboration of two visionary chef”, creating a dining experience that is bold, refined and truly unforgettable.
