TRY MIXING IT UP KOREAN STYLE

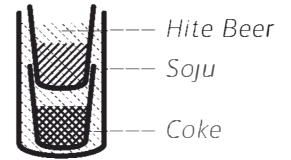

Soju Bomb
[쏘맥]

Pour a shot of Soju and drop it into a glass of beer. The intensity of the bomb can be adjusted according to the amount of beer in the glass.

Go Jin Gam Rae
[고진감래주]

Derived from the Chinese idiom 苦尽甘来 which literally means "Once the bitterness has ended the sweetness begins." Meant to be drunk in one shot, jiggle the glass at the very end to release the Coca-cola for a sweet finish.

Seoul Train [쏘맥 Train]

Grab a spoon and hit the first shot glass lightly to activate the Seoul train! The perfect way to kick start a party!
