Legendary and Loved since 1979

THE GARFUNKEL'S GUIDE TO

LONDON

Garfunkel's was born in London's busy West End in 1979. Over 35 years of experience serving great British food all day, from breakfast through to dinner. We're proud to be a legendary part of London life!

THE BIG BEN
Is one of the largest four faced clocks in the world

ROYAL PARKS
London has 8 Royal Parks which cover around 4800 acres of the city

THEATRELAND

London's main theatre district is a true competitor to New York's Broadway. Some of the longest running shows include The Mousetrap, Les Misérables, The Phantom of the Opera, The Woman in Black and Chicago

CITY OF WESTMINSTER

LONDON ZOO

London Zoo is the world's oldest scientific zoo. It was opened in London on 27 April 1828, and was originally intended to be used as a collection for scientific study.

BUCKINGHAM PALACE
Buckingham Palace has been the official London residence of Britain's monarchs since 1837.

LONDON EYE
There are 32 capsules (one for each London Borough). Each one weighs 10 tonnes and can carry 25 passengers.

ST. PAUL'S CATHEDRAL
One of the most well known features of the cathedral is the Whispering Gallery. A whisper against the wall can be clearly heard at the other side, 112 feet away.

TOWER BRIDGE
River traffic takes priority over bridge users, but you must give 24 hours notice if you need the bascules to be raised to allow your ship to pass. They are raised more than 1000 times a year.
