THE ABSOLUTE THAI STORY

The Absolute Thai Group has grown from a small Thai takeaway shop open by husband and wife team of Kittipos and Arisa Kaewprasit in Sydney in 2002.

The philosophy behind the business was and is still today to provide our guests with authentic Thai cooking without compromise on quality and the use of locally sourced fresh ingredients.

The Absolute Thai group promise is to continue with our long established practise of providing you, our valuable guest, with the most authentic Thai food that is available and served with the traditional and special Thai warmth and friendly service that you have come to expect from us.

We thank you and appreciate your continued patronage and support over the years.

A close-up photograph of a Thai salad. The salad is composed of various fresh ingredients: long, thin bean sprouts, green beans, sliced tomatoes, and peanuts. The ingredients are mixed together and appear to be coated in a light dressing. The colors are bright and fresh, with the green of the beans and lettuce contrasting with the red of the tomatoes and the golden-brown of the peanuts. A dark, semi-transparent rectangular box is overlaid in the upper center of the image, containing the text 'SOUP X SALAD' in a light, sans-serif font.
