Different cultures in different periods of history have merged with the collective culture in Anatolia and evolved in a unique diversity and prosperity. Reflection of these values formed the genuine cultural mosaic, which is a result of thousands of years of Anatolia's living style so called our "Cultural Heritage".

Based on this philosophy, we would like to serve you the following 6 courses that we believe represent how Traditional Anatolia Kitchen Culture emerged.

2.5 Million Years B.C  
 Smoked Mushroom and  
 Mushroom Consome

B.C 8000-9000  
 Duck, Halantiye and uipe

395-1453  
 Shrimps with Cabbage  
 Pickles

1077-1308  
 Marrow, Poppy Seed  
 and Pastrami

1299-1922  
 Bay Leaves with Lamp,  
 Onion Puree

1923-Now  
 Poppy Seed Ice Cream and  
 Cranberry Sherbet
