

In 1919 Congress Passed The Infamous 18th Amendment (Prohibition), Sparking An Underground Movement Of Distillers, Smugglers And Barkeeps Unlawfully Trading Their Spirits. Williamsburg Brooklyn Was The Beating Heart Of This Movement, Its Speakeasies Frequented By Everyone From Gangsters To Politicians, Movie Stars To Working Folk. The Williamsburg Bar Is A Celebration Of These Brave Souls Who Kept The Love For Spirits Alive During This Era. Specializing In **Small Batch Distilleries**, The Modern Equivalent Of Those Prohibition Moonshiners Who Had To Keep Their Operations Small In Order To Avoid Detection, We Proudly Feature Hong Kong's Largest Selection Of Ryes, Bourbons And Gins.

## COCKTAILS

### **Evensong 138**

In 1953 James Bond famously invented the Vesper Martini, but as often happens in the world of international espionage, he was betrayed - in the 1980's Lillet removed the quinine from their recipe, irreparably changing the flavor of Bond's libation. Well, we're adding it back. When it comes to this classic cocktail at least, truly You Only Live Twice.

Plymouth Gin, Absolut Vodka, Lillet Blanc, Splash Tonic

### **Garden of Eden 148**

On the 6th day God created man. On the 7th day he rested... and this is what he sipped while he did, made of the freshest ingredients from the garden he created.

Glendalough Wild Botanical Gin, Aloe Vera, Fresh Basil, Cucumber, Egg White, Pineapple

### **Scofflaw 138**

Invented at the famous Harry's Bar in Paris in 1924, the drink (and the word itself) was in honor of the mass of Americans enthusiastically violating Prohibition.

*Scofflaw [Skawf-Law] noun - a person who flouts the law, especially by failing to comply with a law that is difficult to enforce; a contemptuous law breaker*

Rebel Yell Rye, Dolin Dry Vermouth, Real Pomegranate Grenadine, Lemon, Orange Bitters

### **The Williamsburg Old Fashioned 148**

Tap into your inner Don Draper with The Williamsburg's take on the original cocktail.

Buffalo Trace Bourbon, Hennessy VSOP, Angostura Bitters, Orange Peel

*(Go full Mad Men and smoke it +\$20)*

### **Lovechild 158**

People said they shouldn't be together, they said it's wrong, that it's immoral, but we don't care... gin and rye, together at last.

Sipsmith London Dry Gin, Bulleit Rye, Hennessy VSOP, Ginger Liqueur
