We despise processed burgers, because the ingredients are often unclear and could be literally years old - Which is the reason why we prepare our burgers using the finest of ingredients. This means using only 100% Prime Chicken Breast and 100% Prime British Beef which is fully traceable. Our Burgers are cooked medium well and can be cooked well done upon request served on a freshly baked seeded Brioche bun that's lightly toasted. All our Burgers come with authentic hand cut chips.
