

Sabio's Sangria

Based on popular wine punches circling Europe at the time, Sangria boasts an assortment of fruit stewed in a claret base mixed with soda water and sugar. Its rich flavour and light body made it an instant hit, especially during summer months, as its chilled, refreshing taste is
The perfect remedy to the heat.

Soon it was served at parties of all sizes –
from small restaurant gatherings to
extravagant aristocratic lawn parties.

Its popularity grew throughout Spain until it made its international debut at the 1964 World's Fair in New York. Even though its market has expanded, the spirit of Sangria lives on in its making. Its beauty is in its flexibility. Combinations and quantities of fruit and wine can be refined until a blend reaches perfection.

At Sabio we have entered into the long history of Sangria with our own perfected recipe.
