Sloe gin, apricot brandy, lime juice

Fröccs

A classic fröccs contains two ingredients: soda water and wine. The specific varietal of wine can vary, but the best versions are made with some kind of unoaked white or rosé of Hungarian origin — maybe a crisp olaszrizling or a lushly tannic kékfrankos. The wine is served chilled (adding ice is a no-no), splashed with soda water, and voila, you have fröccs.
