cooking based on heritage recipes the menu  
in Straits Kitchen showcases a melting  
pot of cuisines from Singapore's many  
cultures. Neighbours have been  
bringing ingredients into Singapore  
through the Straits of Malacca,  
resulting in a palette of  
eclectic flavours that are  
reflected in our dishes  
including those under  
Straits Specialities on  
our breakfast menu.  
Good morning.
