

De Barcelona

Welcome to our restaurant

We are pleased to invite you to discover
the authentic flavours of Spain.

Our menu is a culinary journey that spans from the
most iconic tapas to fresh seafood and traditional
rice dishes that represent the best of our cuisine.

Each ingredient is carefully selected
and each recipe is prepared with passion
honouring the traditions and spirit of our culture.

Spaniards like to start off any meal with a Vermut (Vermouth)
Served in a tall glass, over ice with a slice of orange.

We recommend you begin with tapas (starter)

Our favourites are

Patatas Bravas and / or Hand Crafted Croquetas

Followed by the paella traditional to our region
We have a paella for all dietary requirements....

Accompanied with our favourite vino Tempranillo

CHURROS are a must for dessert
as we are master churro makers
Dipping is a preference with so many choices of sauce

Please see our menu for more food options
