- All extensions are subjected to availability on the day itself. Should you need a session that extends past 2 hours, please indicate in the notes section when you are making your reservation.
- Your table will start from your reservation time as there might be another reservation right after you. Please be advised to come slightly earlier to settle into your table so you can have the full 2hrs of games and fun.
- In the event that you are late, we will hold your table for no more than 10mins, should you not be able to make it by then, we will release the table for walk in customers.
- Cancellations are advised to be made at least 2hrs before the reservation timing. Please be considerate and inform our team that you won't be able to make it so we can release your booking for other customers.
