

Welcome
TO OUR HOME

Our names are Rich & Rob and we are the proprietor of what we hope you will agree is a quirky, unique and simply delightful restaurant.

We want everyone to feel at home here.... just as if you are in our sitting room for lunch or tea – not dining out at a restaurant

Our idea of cooking, is not copy others, was not re-creating well known dishes. Our food is coming from our hearts, what's best around: ingredients, people & design.

When a dish is not 100%, it won't be served!

Sit down... Lean back.... and enjoy!
