

PIZZA

Our BIGA dough is vegan and made in-house, it is made on a line where soy, nuts & gluten are present. BIGA is a way of fermenting dough where the yeast works it's magic in it's own sweet time, to get a super light crust that's also kind on your tummy

Our homemade tomato sauce is made with San Marzano tomatoes.

We use fior di latte mozzarella, you can swap it with vegan mozzarella for an extra £1
