

# OUR STORY

From the hills of Lebanon, the streets of Syria to the hustle and smells of Marrakesh, all are familiar to the home of the Al-Bader family.

Running home from school to the aromas of oven baked bread, chicken tagine and the smell of freshly picked herbs.

We have taken our life experiences and for the last 10 years been serving the people of Birmingham and beyond with our amazing authentic Middle-Eastern inspired dishes. Our kitchen team has over 100 years experience between them, using their cooking knowledge to create a fusion of authentic and modern cooking.

We hope your experience with us is an uplifting and comfortable one and you feel the love of our cooking and hospitality.
