# BRAND STORY

---

• • •

Established in August 2013, Jekyll & Hyde is a whimsical cocktail bar located in the heart of Singapore. Started as a nail parlour by day and speakeasy by night, we've come a long way since, and we are proud to be known as one of Singapore's pioneer cocktail bars today. Graduating from a curation of cocktails inspired by unique Singapore flavours, our current edition focuses on twists of classic cocktails, while incorporating funky food ingredients found in everyday life. Discover flavours like bacon, peanut butter, bananas and exotic spices, as your tastebuds take flight through our collection of signature cocktails.

Chef Alvin Tan, formerly head chef at Shanghai Dolly and Straits Clan now heads up our kitchen. At Jekyll & Hyde, we are pairing our cocktails with Modern Singapore cuisine, taking your experience at Jekyll & Hyde to new heights - elevating local cuisine and creating a new dimension and perspective to our childhood favourites.

Menu 2.5 is the brainchild of our Head Bartender, Michael Foong - Winner of Diageo World Class's Rising Star Award in 2019. Michael is particularly curious by how different flavour combinations come together to create flavours which are complex, yet uniquely interesting - keeping him inspired as he hones his craft each day.
