CHARLOTTE'S W5

The youngest in the Charlotte's family, we opened in early 2016 with the mission to create a modern local hub for our vibrant Ealing community. Our lovingly restored Victorian stable block and secluded terrace is a multi-purpose space designed to feel just as comfortable visiting on your own as with a large group, for business or pleasure or both! From morning to midnight we cover all the bases - café, bar, restaurant, workspace and events – and all with the creative high quality food, drink and hospitality we've become famous for.

We hope to see you every day!

FILTERED WATER

As part of our commitment to sustainability we offer complimentary still and sparkling water.

ALLERGIES & INTOLERANCES

Please speak to our staff about any dietary requirements you have. We are always happy to adapt dishes to meet individual requirements.

SERVICE CHARGE

A service charge of 12.5% will be added to your bill. We would like to emphasise that this is distributed entirely to our staff and is discretionary.

PAYMENT

Charlotte's Group is now an entirely cashless business. We accept payments by debit card, credit card and American Express. Thank you.
