Elmar's IN THE VALLEY®

HISTORY

Elmar's in the Valley is Perth's biggest German establishment and one of the best restaurants in the Swan Valley, owned and operated by Elmar and Anette Dieren who migrated to Australia from Germany in 1987. With them they brought German machinery, knowledge, experience and a passion for fine food and smallgoods production. Following the success of two smallgoods stores in Highgate and Myaree, Elmar's in the Valley opened in 2005, and quickly became one of the top breweries in the Swan Valley.

Incorporating Elmar's passion for quality smallgoods and traditional beers, with Anette's love of fine food, Elmar's in the Valley was born and nurtured to be a place to enjoy quality products in a relaxed, casual environment. It is now one of the must see venues in the Swan Valley. We are also one of the top destinations during Oktoberfest, celebrating our German heritage whilst being adorned by our love of the Australian Outback, typically known as our Biergarten – our favourite time of the year! Prost!

SUPPORTING THE COMMUNITY

As one of the top Swan Valley destinations, Elmar's recognise the importance of maintaining a close relationship with local businesses and the public. By aligning with locally owned businesses we ensure that revenue is put back into the local economy, enriching the whole community. We would like to thank all those who help make Elmar's in the Valley and Elmar's Smallgoods become such a success. If you know a business, organisation or charity that we should become involved with, please contact us.

This beer has a beautiful bouquet of hop aroma & honey-sweetness. Expect a delicate, refreshing balance of malt and hops, leading into a stunningly dry finish

A traditional Bavarian Wheat Beer with a thirst quenching burst of banana. This beer has hints of vanilla and a subtle taste of aromatic hops coming through at the end

A classic Düsseldorf style Alt Beer, brewed with a blend of darker malts, which in turn contribute to the copper colour. Combined with ale yeast, this beer has rich malt flavours and a mildly chocolate coffee dry taste

Elmar's Schwarz beer will challenge your palate. A dark beer with flashes of garnet with a rich and creamy looking brown head. Notes of stout and bread dough, with impressions of leather, tobacco and cola malty

A lightly roasted, strong and malty ale. Gold to copper in colour. Malty flavour derived from the use of Munich malt, decoction mashing profile and a long boil.
+ \$2

This tasty pale ale is fermented at room temperature which results in a fruitier taste. PERFECT for a hot day due to the citrusy palate and refreshing mid-strength body
