SAKE SELECTION

The Hokusetsu Brewery on Sado Island in the Sea of Japan has been operated by the Hazu Family Since 1871. The Name "Hokusetsu", or "Northern Snow", was chosen to reflect the ideal sake brewing conditions on the island during the coldest days of winter.

Chef Nobu first experienced Hokusetsu sake when his Japanese rock-musician friend brought a bottle to the original Matsuhisa Restaurant in Beverly Hills. Impressed by the quality, Nobu obtained exclusive rights to sell Hokusetsu sake in the United States.

DAIGINJO YK35 SHIZUKU

This premium sake is made from the best rice in the world, Yamadanishiki. Each rice grain is polished to 35% of its original size, and a slow drip procedure is used to produce this flavourful and delicate sake.

Bottle 720ml 550

JUNMAI DAIGINJO TK40 HIKARI

This rare hybrid rice grain Koshitanrei is polished to 40% of its original size and produced undiluted, or Genshu. This award-winning sake has a powerful elegant flavour.

Bottle 720ml 750

DAIGINJO YK35 ENSHINBUNRI

This sake is made from Yamadanishiki polished to 35%. It is extracted with a centrifuge, creating a pure, elegant flavour. This is the evolution of modern sake at its finest.

Bottle 720ml 710

DAIGINJO YK35 JUKUSEI KOSHU

This is the YK-35 Shizuku, aged for three years. The aging process has added structure to the delicate Nashi Pear flavour becoming highly complex with a deep richness not found in young sake. This is made in extremely limited quantities.

Bottle 1.8L 3,200

HOKUSETSU SAKE

Made Exclusively for Nobu

SPARKLING JUNMAI GINJO

Dry, smooth, and refreshing

Bottle 310ml
48
