

## WHERE GRILLING IS OUR PASSION

"A modern steakhouse with a classic touch using quality ingredients." ~ Executive Chef Dean Bush

Flavourful. Honest. Unpretentious. That is what we are at Opus Bar & Grill.

Select from our generous selection of outstanding steak cuts and premium seafood, expertly grilled over open flames infused with charcoal and Jarrah oak wood and finished in the Jospo oven for the perfect char, caramelisation, and a tad of smoky sweetness.

We are also honoured by the Farm-to-Table recognition programme, which highlights our commitment to sustainability and supporting local communities. From farm-fresh veggies to locally-raised meats, every meal you enjoy with us is a celebration of the incredible flavours our region's vibrant agriculture has to offer.
