THE STEAK & FRIES BISTRO

L'Entrecôte
The Steak and Fries Bistro

One Legendary Sauce. One Iconic Dish

Singapore's One and Only French Steak and Fries Bistro
where the only main course is our Famed Trimmed
Entrecôte Steak and Secret Sauce

Our Story

Born in 1930s Paris, Monsieur Boubier's secret butter-based sauce transformed a simple entrecôte steak into a legend. Passed down to Café de Paris, it became a revolution: one dish, made unforgettable.

Over ninety years on, this tradition is firmly rooted in Singapore with our own signature Trimmed Entrecôte Steak, golden fries, and iconic secret sauce.

From humble beginnings on Duxton Hill, we're proud to say we've been here with you all for dinners, lunches, birthdays, anniversaries, and proposals for the past 15 years.

Thank you, Singapore,
for always celebrating
with us.
