HELLO

Friends!

It's Tom here, I can't believe it's been a decade of Pepper Seeds and we have so many regular customers we now call friends. Thank you.

Pepper Seeds Balmain opened in 2012, and it hasn't always been an easy road, but with your support and feedback, I know we've done the right thing.

My team and I have a great passion for contemporary Thai food and this allows us to explore our gastronomic culture as well as help define the future taste of Thai food.

Your friendship and support has helped give us confidence to open Pepper Seeds South Eveleigh in 2021 and Barangaroo in 2022, sharing our food with many more people.

2025 is looking bright with Pepper Seeds Sydney CBD on Kent street. Our new venture, tapping into an urban lifestyle our way.

Thank you for trusting in us and our creative culinary adventures. We'll keep developing more dishes and keep doing what we love - creating wonderful Thai food and dining experiences. So... stay tuned.

It's great to see you.

Tom Sangroong
