

In 1864, the Tanjong Pagar Dock Company was founded, marking the beginning of the district's evolution from a fishing village of yore to the urban jungle it is today.

We commemorate this important year, and the many changes since, with our stylish bar and tea lounge.

Like Singapore, 1864 constantly evolves. Start your day with a leisurely breakfast while observing the comings and goings of the lobby.

Come back at lunchtime for a light meal and refreshing drinks, or take a break from shopping and sightseeing with a decadent late afternoon tea.

Our mixologists take over when night falls, serving signature cocktails alongside a vast selection of wine and champagne as well as specially-brewed craft beer until midnight.

Paying tribute to evolution and experience, our menu is an invitation to a journey of the senses.

Inspired by fond memories of the past and appreciation of the world around them, our mixologists have carefully crafted a range of cocktails designed to evoke emotion alongside taste – poetry in a glass.

Salut!
