ELEVATED SPIRITS

signature cocktails by Sam Kingue Ebelle

As long as the Earth can make
a spring every year, I can.
As long as the Earth can flower
and produce nurturing fruit, I can,
because I'm the Earth.
I won't give up until the Earth gives up.

Now the stars appear and the night dreams
Leaning on that hill of clouds,
dressed in its long, milky pagne.
The roofs of the huts shine tenderly.
What are they saying
So secretly to the stars?
Inside, the fire dies out.
In the closeness of sour and sweet smells.

LEOPOLD SEDAR SENGHOR

I dreamed that you were a bee,
that one day gaily flew along,
You came across the hedge to me,
And sang a soft, Love-burdened song.
You brushed my petals with a kiss,
I woke to gladness with a start,
And yielded up to you
in bliss the treasure fragrance of my heart;
And then I knew that I had waited there for you.
