**Bitter Lemon Tonic:** Calamansi & bitter orange with lemon - the resulting citrus profile being delicate & complex. Organic cane sugar provides depth, cohesion & a truly luxurious mouth feel. Perfectly paired with a sweet, sloe or fruit-infused gin.

**Dirty Tonic:** Bold & beautiful with unrefined cinchona bark to create an earthy, rich bitterness. Emboldened by orange peel & fragrant rosemary, finished with a pinch of sea salt. Delicate notes of rosemary make for beautiful pairing with herbaceous or citrus-led gins.

**Light Tonic:** Light in both form & function, this precise tonic water uses sharp fruit sugar, in very low amounts, to deliver a light, delicate citrus profile that accentuates gin, rather than crowds it. This tonic will help your favourite gin fulfill its destiny.
