

Welcome to....
BURGER WORLD BERLIN

Dear guests,
We offer you 150 grams of tender 100% Black Angus Meat from Germany in your burgers.
In addition you can choose your Burger buns, made daily by our baker, from Golden Crispy to Dark & Wholesome, also with a vegan bread, option or gluten-free toast .
Our burgers are made with fresh crispy lettuce mix, red onion, spice, tomato, cucumber and rocket!
As a standard on your burger we also use homemade sauces from our chef! We are happy to offer you many different unique options, for example Chili-Majo and Spicy sauce to vegan creations e.g. Peanut sauce
Our nice service team is happy to help!

LUNCH Mo.-Fr. from 12-5 pm
please ask at the Service thank you

In our Kitchen, we use only natural produce.
(based on healthy and alternative ingredients!),
for instance: Chia-Seed, Linseed, Coconut Oil(to fry), Cucurmis, Maple Syrup, Ginger, Quinoa, Himalayan Salts, Halit Salts, Sea Salts, Russian Rock Sugar..etc
They all help reinforce the immunsystem and of course we are always expanding these products!
We are happy to inform you about any allergens within our food, please ask...

We never use a microwave in our kitchen.
Many of our drinks like Viva con Aqua, Premium Cola Quartiermeister support large humanitarian projects.
