Jalisco

MEXICAN

Did you know that the “J” is silent?

It's pronounced Ha-les-ko. Jalisco is the Tequila producing state of Mexico.

In fact, Tequila is the name of the town in Jalisco that is best known for being the birthplace of the drink that bears its name. Tequila is made from the blue agave plant, native to this area.

We love Tequila (hence the name) and we know a good one from a bad one.

Don't like Tequila?
