

Fine Japanese Dining

Koryu is a hugh-end Japanese restaurant. Our fresh and authentic menu showcases a variety of dishes from three sections: the main kitchen, the fresh sushi & seafood bar and the grill.

Rather than offering traditional way of starters and main courses, the Japanese izakaya style is designed for sharing and are brought to the table steadily and continuously throughout the meal. Our server will be very happy to provide explanations and assist you in choosing your dining-in menu.
