Little Creatures (AU) XPA

4.9% ABV. At Little Creatures we love a hoppy beer and for our latest creation we are bringing you a hop triple threat using three hop varieties in the kettle and dry hopping with three varieties for an aroma reminiscent of a delicious seasonal fruit salad. The upfront hoppy aroma comes from our trademark US hops and we went a bit overboard with hops and are using a blend of Galaxy, Mosaic and Citra for the dry hop – with the Mosaic and Citra being Cryo Hops (Pelletised Lupulin Powder). The result, a lot of the green matter is removed so you get less vegetative character, which makes for a cleaner, more refined dry hop character." All in a damn tasty beer fit for all occasions. The low bitterness of this little beauty makes for an easy drinker that is best enjoyed Monday, Tuesday, Wednesday all the way through to Sunday.

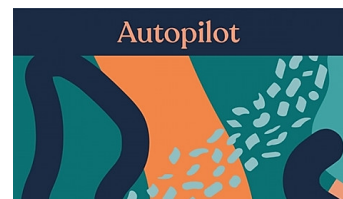

One Drop (AU) Hazy Pale Ale

4.5% ABV. A full bodied Hazy Pale Ale that's soft, juicy, full of flavour, and made at a crushable. Built off a Tri-Hop combination of tropical goodness and a malt bill packed full of delicious oats. This full flavoured experience will no doubt take you to you where the good vibes flow.

Fraugruber (GE) Diamonds in Orbit Hazy IPA

5.8% ABV. Hazy IPA.

One Drop (AU) Body Count Hazy IPA

6.1% ABV. Body Count is a Hazy IPA with a big focus on top popping hop character. A layered approach of using the freshest hops, a pressure ferment of our in-house hazy yeast, and a multi-staged dry hop regime employing Clean Fusion™. A supple, tropical ester base compliments the heavy-handed additions of Melba™, Strata®, Nelson Sauvin, and Vic Secret™ hops wherever we could fit them, while a heavy base of wheat and oats provide a silky smooth body.

Goose Island (US) Goose IPA

5.9% ABV. Goose Island's flagship IPA is a six-time medal winner at the Great American Beer Festival. We've taken the traditional English Style and created our own fuller flavored IPA with bright citrus aromas and a bold hop finish. With hoppy, bold, and smooth flavor, Goose IPA is the perfect beer for hopheads and discovery drinkers alike.

Mountain Culture (AU) Autopilot Oatcream IPA

7.2% ABV. Autopilot is an All-American hopped Oat Cream IPA. We thought we'd push the limits with this one to celebrate our second year of making this 'craze' style. To start off with we pushed the chloride:sulfate ratio as far as we could and then threw in our largest percentage of rolled and flaked adjuncts to increase the haze and mouthfeel whilst also making our highest ABV Oat Cream to date. And now for the important part - we threw in 6 of our favourite American hops including cryo Citra, cryo Amarillo and cryo Mosaic as late kettle additions and then excessive amounts of Citra, Amarillo, Mosaic, Idaho 7, Centennial and Simcoe over 2 separate dry hops.

Alive (SG) Lucky Omen Double IPA

8% ABV. Get ready for a total eclipse. Our first DIPA could possibly be celestial: a supple nose of fruity and dank hops makes way for a bright halo of ripened tropical fruits above a luscious, lingering creamy mouthfeel. Feeling Lucky? We got you covered.

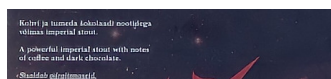

Vault City (UK) Strawberry & Lime Session Sour

4.2% ABV. End of season Scottish Strawberries offer a fresh and juicy, yet tart pairing to our mixed-fermentation base. Freshly squeezed limes temper the softness and round the beer out into a tropical cocktail!

One Drop (AU) Irie Imperial Tropical Sour

9.5% ABV. Imperial Tropical Sour with Mango, Pineapple, Passionfruit & Banana.

One Drop (AU) Double Take Passionfruit Imperial Sour

10.9% ABV. "You are holding in your hand a can containing no less than 3 and a half individual passionfruits blended into our biggest sour base to date. We've doubled down on all the good stuff your favourite Passionfruit Sour had to offer. Double the hops, twice the ABV, and an overhaul of our already absurd fruit dosing rate which will have you doing a Double Take. We have packed a mind bending 420 grams of passionfruit into every litre. With the oozing fruit, puckering tartness, and tropical rush, this beer is a jedi mind trick on the soul. Big passionfruity love to you all."

Puhaste (EE) Tumeaine Imperial Stout

11% ABV. Powerful Imperial Stout with a thick creamy texture showcasing beautiful coffee and dark chocolate notes. Jet black beer with a silky caramel coloured foam. Aroma is exploding with intense creamy coffee, nuts, toffee, dark chocolate and dried fruits. Mouthfeel is rich, warming and with a luxuriously thick texture – packed with chocolate, cocoa, toffee, prunes and roasty coffee character. A massive stout with incredible depth and balance – a flavour journey that you need to experience.
