MXG CLASSICS

REDEFINING 麻辣香锅, the Singaporean Style.

WHO WE ARE

Once eaten humbly by labourers in Sichuan-China, now elevated to a dish raved about and scrutinised by food bloggers (and us) everywhere, **MXG Classics (Multiple 香锅 Xiāng Guō)** will turn up the heat and numb your senses with a whole new 麻辣香锅 (málà xiāng guō) experience.

MXG Classics strives to share and multiply not only the intense spice our founding fathers enjoyed but also the number of people who enjoy the dish. Thus, redefining a tailored 麻辣 (málà) experience for EVERYONE!

As proof, an equally delicious **non-spicy version** of our 香锅 (xiāng guō) is on the menu for those of us not yet ready to brave the heat.

Brought to you by our love and inspiration we have for 麻辣香锅 (málà xiāng guō), join us in setting a new standard and redefining a new Singaporean MXG!
