

# Hide & Seek

---

Bistro / Bar

A decorative border of various green leaves and branches frames the text. The leaves include ferns, eucalyptus, and other foliage, some in solid green and others in a lighter, patterned green.

## About us.....

Welcome to Hide & Seek! We're a bistro bar, good for the late sunny brunches, evening wines and late night whiskies.

Away. We are definitely away from the city's hustle and bustle. Offering both indoor and outdoor seats with lush greenery and rooftop views.
