Important Notice

If you are allergic or intolerant to one or more substances, please let us know, and we will tell you which courses and beverages do not contain the specific allergens.

The information regarding the presence of substances or products causing allergies or intolerances are available by contacting the staff on duty.

Our HACCP procedures take into account the cross-contamination risk and our staff is trained to deal with this risk. Nevertheless, it should be pointed out that in some cases, due to objective needs, the preparation and service operations of food and beverages may involve some shared areas and utensils (e.g. in the buffet area). So, the possibility that food has come into contact with other food products, including other allergens, can not be excluded.
