

HOUSE POURS

WHITE

Louis Jadot, Bourgogne Chardonnay, 2016 **19.00/82.00**

Vinified and blended from 100% Chardonnay grapes selected from quality wine growers in the Côte Chalonnaise, the Mâconnais and the Hautes-Côtes de Beaune. The lovely, elegant Chardonnay has nice buttery notes with honeyed pear and fresh apple, offset by a gentle touch of vanilla. Excellent balance of fruit and acidity, with long finish.

Pomino, Pinot Bianco and Chardonnay Blend 2017 **19.00/82.00**

Straw – yellow wine with brilliant highlights. To the nose it has both a flowery (Scotch broom) a fruited aroma (sweet Williams pear, fragrant lemon). When tasted, Pomino Bianco demonstrates a perfect balance of alcohol content and freshness. The wine has excellent, persistent finish and a pleasant aromatic aftertaste.

Cesari Fiorile, Pinot Grigio, 2017 **19.00/82.00**

A bouquet dominated by banana with some spicy vanilla notes and more banana in the mouth. Has more persistence than most Grigios, with a lean, spicy finish.

Leeuwin Estate, Siblings, Sauvignon Blanc Semillon, 2017 **19.00/82.00**

A bright and floral bouquet with a myriad of primary fruits, featuring white peach, green melon, passion fruit, lime zest and lemon curd. Subtle notes of elderflower and white jasmine provides a perfumed floral lift. Nuances of nettle, vanilla and cardamom pod creates both depth and complexity.

RED

Tardieu Laurent, Côtes du Rhône Villages, 2016 **20.00/92.00**

A blend of Grenache and Syrah, packed full of crisp fresh fruit and silky tannins. Smooth, direct and unpretentious, Les Becs Fins Rouge bases its aromatic element on bramble fruit and spicy hints of pepper. Accessible right from bottling, it's a very good choice for getting into Rhône reds.

Leeuwin Estate, Siblings, Shiraz, 2016 **19.00/82.00**

Perfumed and fragrant on the nose with notes of ripe red currants and black cherries. Combined layers of Turkish delight, lavender, violets, cassia and cedar offer depth and complexity. A constant thread of freshly ground black pepper, highlights the excellence of the vintage.

What are Second Wines?

In the region of Bordeaux, historically, producers are bound by the Appellation Controlee (It's the governing body that controls the quality of Bordeaux Wines).

Invariably, Quality varies inversely with Quantity, hence, wines like Latour for instance, can only produce X number of bottles given X hectares of land. So what do they do with the remaining grapes? They produce a Second label under the same flagship but a different name. These wines are normally deemed as value for money wines!
