

# HOUSE POURS

## WHITE

**Louis Jadot, Bourgogne Chardonnay, 2016** **19.00/82.00**

Vinified and blended from 100% Chardonnay grapes selected from quality wine growers in the Côte Chalonnaise, the Mâconnais and the Hautes-Côtes de Beaune. The lovely, elegant Chardonnay has nice buttery notes with honeyed pear and fresh apple, offset by a gentle touch of vanilla. Excellent balance of fruit and acidity, with long finish.

**Cesari, Pinot Grigio, Fiorile, 2016** **19.00/82.00**

A bouquet dominated by banana with some spicy vanilla notes and more banana in the mouth. Has more persistence than most Grigios, with a lean, spicy finish.

**Leeuwin Estate, Siblings, Sauvignon Blanc Semillon, 2016** **19.00/82.00**

A bright and floral bouquet with a myriad of primary fruits, featuring white peach, green melon, passion fruit, lime zest and lemon curd. Subtle notes of elderflower and white jasmine provides a perfumed floral lift. Nuances of nettle, vanilla and cardamom pod creates both depth and complexity.

## RED

**Domaine Anne Gros, Jean Paul Tollot, La Ciaude Minervoise, Languedoc Roussillon, 2014** **20.00/92.00**

A blend of Grenache, Syrah and Carignan which complement each other to give us this wonderful cuvée. On his great terroir consisting of limestone and clay soils, facing south, the white blinding limestone of Agel gave us some wines full of great energy.

**Leeuwin Estate, Siblings, Shiraz, 2015** **19.00/82.00**

Perfumed and fragrant on the nose with notes of ripe red currants and black cherries. Combined layers of Turkish delight, lavender, violets, cassia and cedar offer depth and complexity. A constant thread of freshly ground black pepper, highlights the excellence of the vintage.

## PORT BY THE GLASS

**Dalva Colheita 1990, Barão De Vilar** **22.00**

**Dalva 20 Years Old, Dry White Port** **26.00**

### *What are Second Wines?*

*In the region of Bordeaux, historically, producers are bound by the Appellation Controlee (It's the governing body that controls the quality of Bordeaux Wines).*

*Invariably, Quality varies inversely with Quantity, hence, wines like Latour for instance, can only produce X number of bottles given X hectares of land. So what do they do with the remaining grapes? They produce a Second label under the same flagship but a different name. These wines are normally deemed as value for money wines!*
