

## TO LIVE IN SPRING

Jiang-Nan Chun is inspired by Jiang Nan, the paradise-like region of southern China whose cities are celebrated in the famous

saying: 生在苏州, 活在杭州, 食在广州

“Born in Suzhou, live in Hangzhou, eat in Guangzhou.”

“Chun 春” (Spring) completes the restaurant name and radiates the promise of renewal, growth and pleasure associated with the season.

Jiang-Nan Chun also embodies the concept “Xiang Le Zhu Yi”

享乐主义 or “The principle of enjoyment and happiness”, which

implies that food has the ability to transcend the body’s appetites to fulfil the aspirations of the mind and the soul -- making how and why you eat as important as what you eat. To dine well and to understand what you are eating is the essence of wellbeing and a happy life.

Such is the experience that awaits you at Jiang-Nan Chun.
