Traditionally, Pork Broths are made using chicken & pork bones but here at Takeshi, we take it a notch higher!

Premium Ingredients used:
Parma Ham specially imported from Italy & Iberico Pork from Spain
Whole Old Hen Chicken is also used for that extra punch!

The stove that doesn't sleep:
At Takeshi, we use a Rolling Boil (Uniquely Asian) technique where the broth is boiled rapidly with lots of bubbling. This brings out all the Gelatin, Fat & Goodness from the bones & Collagen from the skins(動物性の皮), Cartilage(軟骨), Tendons(筋) & the sweetness from the Vegetables(野菜) & Kelp(昆布).
