Sunday's Brew Pilsner

A refreshing and tasty pilsner with initial citrus and floral notes, rounding off with a malty finish.

15

The Matriarch

New England IPA 6.5% ABV

She may look like your Mum on a big night out but the Matriarch is much more than meets the eye. A sheep dressed up in lamb's clothing, slightly hazy and all foam on top. The juiciest rumours surround her life but they pale in comparison to the truth. She's generous with her perfume like this brew is with the aromas of citrus, pineapple and stone fruit. She should be bitter from all she's seen and done but instead she is a fresh, hopped up juicy number that's full bodied in every sense of the word.

15

Punchin Rye Pale Ale

Pale Ale - 5% ABV

Bursting with aromas of passionfruit and a light touch of spiciness from the rye malt, this session-able and moderately hoppy pale ale delivers a smooth finish.

15

Sly Fox 15
Pale Ale - 4.5% ABV

This sneaky little beer is light on its feet but still packs a punch of flavour. Vibrant hoppy aroma with a clean bitterness that pairs perfectly with a hot summer's day.

Hop Hog 15
Pale Ale 5.8% ABV

Hop Hog explodes with citrusy flavours and hop aromas, rounded out with a solid malt backbone. A farmload of American hops makes Hop Hog a uniquely Feral brew...and just a little fruity.

Biggie Juice 15
New England IPA - 6% ABV

Biggie Juice is notoriously juicy, teeming with punchy tropical hip hop aromas full of apricot, peaches and passionfruit. Day dreamin in a cloud of haze, Biggie Juice intentionally cloudy contributing to a creamy mouth feel.

Smoked Porter 15
Smoked Porter - 4.9% ABV

The gentle bitterness of Feral Smoked Porter is rounded out with a classic malt flavour in true porter style. A subtle hickory flavour from German malts smoked over Beechwood gives this porter a truly special and unexpected character. It's flamin' sensational.

Fuzzy Dance Explosion 15
Mango & Pineapple Flavoured
Hazy Tropical Sour 4% ABV

Hazy & tangy, this soured tropical ale dances across the pallet bursting with candied mango and pineapple tones while a subtle kveik yeast funk provides the baseline.

Utopia Ale 15
Pale Ale - 4.8% ABV

A tropical little ripper, fits the bill for a long winding arvo. You know the one. Where there is nothing left to do but bask in the warm company and pit of contemptment in the bright universe around you. Dont say anything different. This sunshine will never fade.

Cosmic Microwave 15
New England IPA 6.2% ABV

Cosmic Microwave is a thick and juicy boy. Brewed with a rotating roster of hops specifically chosen to impart fruity aromas and juicy flavours in droves. Malted wheat enhances body and our New England yeast keeps things hazy and velvety.

Speccy Juice 15
Hazy Session IPA 3.5% ABV

This beer is as tough as a good inside mid, but still sessionale enough to drink until the final siren. Refreshing as a four goal breeze. Its got flavour that'll hit you like a cheap whack to the bread bin behind play! Hazy- Tropical- Refreshing.

Highwire Grapefruit 15
GrapeFruit Pale Ale - 5.5% ABV

High Wire Grapefruit is a tribute to the Pale Ales of the West Coast of America, beers unapologetically hop forward in character. Let your taste buds walk this test of balance. Lip-smacking grapefruit flavours harmonise against a smoothly composed malt base, which develops into a crisply bitter finish. Are you ready for our tightrope of taste?

Kilo King of Cuddles 15
New England IPA - 5.8% ABV

The King of all Kings, the ruler or our hearts, the master of farts, Kilo Snoutsy pants also known as King of Cuddles. Behind that overwhelming handsomeness and the world's most beautiful eyes, lies a soul that is almost as hungry for life and love as it is for balls, nugget and naps. A book could be written about this little fluff, but we went for a beer, inspired by his warm and cuddle personality... Snout Juice IPA was born.

45 Days Of Organic Pilsner 15
Organic Pilsner - 4.7% ABV

The slower the fermentation, the better a pilsner tastes. We took no risks and decided to ferment and mature our pilsner no less than 45 days. It would be a sin to rush it after all. Enjoy all the crisp complexity that belongs in the golden lager we all love, and enjoy it more knowing it was made only with the highest respect and admiration for the style.

House Of Pale 15
Pale Ale - 5.5% ABV

House Of Pale is one of the recipes To OI has taken from the mad laboratory in Copenhagen, BRUS. A New England Pale ale with Equanot hops. It has seen many changes and tweaks, experimenting with hop doses and overall 'crispiness' - and now this version is the perfect Pale Ale.

War Hog 15
American IPA - 7.5% ABV

There's nowhere to hide, so gear up, sound off and blast "Ride of the Valkyries" at full volume, because, soldier, you're at war. We love the taste of IPA in the morning.

PREMIUM CRAFT BEER

Heretic Caramel Moochiato

Caramel & Vanilla Flavoured Milk Stout - 6% ABV

Looking for that rich combination of robust roastiness and creamy sweetness, but tired of your local coffee shop misspelling your name? Time to mooove on to something different. Our milk stout has a rich smoothness that can only come from natural caramel and vanilla flavors. Caramel Moo-chiato is such a perfect balance of dark and sweet, you'll want to keep drinking it until the cows come home.

22

Heretic Mandarin IPA

Mandarin IPA - 6.6% ABV

We all love mandarin oranges and the best in the world come from our local foothills. Each year we are blessed when a passionate rancher from Colwell Thundering Herd Mandarin Ranch brings us a huge amount of fresh-pressed mandarin juice. We put it all (minus a few pints for personal consumption) into a super juicy IPA.

22

Heretic Chocolate Hazelnut Porter

Chocolate Hazelnut Porter - 7% ABV

Chocolate Hazelnut Porter, or CHP as we call it, is a dessert in a glass. It is a rich, robust porter bursting with luscious chocolate and hazelnut. Notes of coffee and caramel round out this delicious treat.

22

Heretic Juicier Than Thou

Mango Flavoured New England IPA - 6.5%

We helped make America a little more juicy with our Make America Juicy Again, but some 'juiceheads' just can't get enough. So now we're making things even more juicy. We've upped our game by adding delicious mango and a bit of creamy lactose (milk sugar). This beer is full of juicy hops and juicy tropical fruit. And it could be so juicy, it is juicier than thou.

22

Lion City Mead - Hibiscus Blueberry

Berry-flavoured mead in a beer - 5.5% ABV

A dark crimson, floral, berry-flavoured mead in a beer style at 5.5% ABV. We've steeped whole dried hibiscus flowers to extract the flavour and colour into a tea, and ferment it with our custom blend of eucalyptus honey. We then finish off the mead with both, whole-crushed and pureed blueberries. The result is a tannin-rich, floral mead with a dry wine-like finish that is excellent with any meal consisting of red meat. As with all our meads, the Hibiscus Blueberry is made from natural ingredients with no additives, artificial sweeteners or colouring. Lovely in both sight and taste.

22

Lion City Mead - Classic

Classic Mead Beer - 5.5% ABV

The Classic Mead is our interpretation of a beer-style mead at 5.5% ABV. Designed to be session-able, it is refreshing, crisp and tart with prominent notes from the custom blend of eucalyptus honey that we've developed in conjunction with Australian apiaries. Made from all natural ingredients with no additives, artificial flavouring or colouring, the Classic is the perfect companion to food that is big on both flavour and grease. Best enjoyed chilled on a hot Singaporean-like sunny day.
