## RESTAURANT

## Reservation and Cancellation

**Table parties 1-11 people:** The order for restaurant services is valid for the number of people indicated when ordering. The customer can refine the number of people +/- 10% on the same day by 12 noon. The minimum billing basis is the number of people confirmed according to these conditions. If the reduction in the number of participants is reported later or the matter is not reported at all, the restaurant has the right to charge according to the amount ordered. You can cancel a table reservation at Saamen Kammi completely free of charge by 4 pm the day before.

**Groups of 12-29 people:** The reservation becomes binding when the sales service confirms it in writing. The order for restaurant services is valid for the number of people indicated when ordering, which can be specified by the customer 5 business days before the event. The minimum billing basis is the number of people confirmed according to these conditions. If the reduction in the number of participants is reported later or the matter is not reported at all, the restaurant has the right to charge according to the amount ordered. The table reservation can be canceled free of charge 5 business days before the table reservation.

**Groups of more than 30 people:** The reservation becomes binding when the sales service confirms it in writing. The order for restaurant services is valid for the number of people indicated when ordering, which can be specified by the customer 5 business days before the event. The minimum billing basis is the number of people confirmed according to these conditions. If the reduction in the number of participants is reported later or the matter is not reported at all, the restaurant has the right to charge according to the amount ordered. The table reservation can be canceled free of charge 14 business days before the reservation.

Special diets and allergies must be inform 5 business days before the start of the reservation.
